

## BUSINESS SALES AND ASSET PURCHASE AGREEMENTS

### UNDERSTANDING BUSINESS SALES AND ASSET PURCHASE AGREEMENTS

Are you contemplating a purchase or sale of an asset for your business? In either case, you need to do more than just complete a basic profit and loss analysis. You must take a thorough look at the bigger picture to determine if the transaction is strategically advantageous to your firm.

Business sales and asset agreements can involve any or all of the following activities:

- Drafting a buy-sell agreement
- Negotiating a buy-sell agreement
- Ensuring ownership continuity
- Undertaking an asset valuation and appraisal
- Planning for business entity management

Entering into a business deal without first consulting an experienced attorney can result in the other party taking advantage of you and your company without your knowledge.
